EDUCATION

- **Indian Institute Of Information Technology, Lucknow** — Lucknow, India
  Bachelor of Technology in Computer Science and Business ; CGPA: 8.05/10 — *Dec. 2021 – June 2025*
- **Gowtham Junior College, Hyderabad** — Telanagana, India
  SSC Class XII ; Percentage: 94% — *April 2021*
- **Narayana High School, Hyderabad** — Telanagana, India
  SSC Class X ; CGPA: 9.8 — *March 2021*

PROJECTS

- **Hunger Zone** Collaborated on a team project to develop Hunger Zone, a dynamic and visually appealing food blog.

  - **Tech-Stacks** HTML, CSS, JavaScript, Node.js, Express.js, MongoDB.
  - **Features** Actively implemented front-end features for Hunger Zone, including responsive layouts, user authentication, blog post rendering, and interactive components.
  - We created Hunger Zone, a visually appealing and interactive food blog. I actively contributed to the development of front-end features, focusing on ensuring a seamless user experience.

- **Assis Desk** Collaborated on a team project during the 4th semester to develop AssisDesk, a powerful desktop voice assistant utilizing Python and the GPT-3.5 model for enhanced interactivity and natural language understanding.

  - **Tech-Stacks** Python programming language, GPT-3.5 model, pyttsx3, datetime, speech-recognition, wikipedia, webbrowser, smtplib libraries.
  - **Features** Integrated pyttsx3, datetime, speech-recognition, wikipedia, webbrowser, and smtplib libraries for text-to-speech, time/date functions, speech recognition, Wikipedia information retrieval, web browsing, and email capabilities.
  - This project was undertaken during the 4th semester as part of our coursework, showcasing teamwork and proficiency in Python programming, AI integration, and library utilization.

- **Placement Portal** This is a team project that aims at easing the placement management process by the IIIT lucknow placement team and is to be used by the same

  - **Tech-Stacks** React, Node.js, Express, MongoDB
  - **Features** The Placement Portal includes a Training and Placement Officer's dashboard, student details recording, a user-friendly UI, and complex database queries using Mongoose.
  - Created the Training and Placement Officer's side completely. Made the dashboard that records student details. Worked on the UI and managed the Databases by making complex queries using Mongoose

EXPERIENCE

- **Mynerva | Front-end Developer Intern**

  - Collaborated with the development team to create responsive and user-friendly web applications.
  - Leveraged version control tools like Git to manage and track changes to the codebase, enabling efficient collaboration with team members.
  - Tech used Tailwind CSS, TypeScript, NextJS, and Responsive Design .

  Timechain Labs | Open-source Contributor

  - Actively contributed to open-source projects focusing on front-end development using technologies such as Svelte, Tailwind CSS, and React JS.
  - Engaged in code reviews, issue tracking, and continuous improvement initiatives within the open-source community.

Achievements

- LinkedIn CoachIn Mentee'23, One of the 60 girls, selected for CoachIn Program.
- Completed Google Cloud Career Practitioner Program'22 and earned rewards for course completion.
- Achieved an impressive rank of 57 in the nationwide CodeKaze 2023 challenge, along with securing the second position in the college rankings.
- Qualified for Pre-Final Round in International Youth Maths challenge 2022
- Rated 3 star on CodeChef Hima Bindu, Codechef
- **Global rank 1350** out of 23k competitive programmers in Leetcode Weekly contest 337
- **Global rank 892** out of 23k competitive programmers in Leetcode Weekly contest 315
- **Global rank 1061** out of 18k competitive programmers in Leetcode Weekly contest 329

Technical Skills

Languages: C++, C, HTML, CSS, JavaScript, Python, Tailwind,Typescript
Technologies: Bootstrap, ReactJS, NodeJS
Developer Tools: Git/Github, VS Code, Canva, Figma, MS Word, MS Excel,
Academic Coursework: OOPS,Data Structures and Algorithm, MYSQL
Soft skills: Leadership, Problem-Solving, Team Work, Public Speaking, Time Management
Other skills: Graphic Designing, Photography, Social Media Management
